## Account Credit Request:

All account holders will need to provide their latest Financials including: Profit and Loss, Balance Sheet and Cash Flow. (Please attach all copies).

## Account Holder Procedures:

The Wash Inn will supply your business/company with a Customer Tag which comes with a barcode. We will keep it on our premises under lock and key. When your heavy vehicle is washed we will scan your Customer Tag and enter the Registration number of your heavy vehicle to the receipt. We will then email the receipt in real time to your account payable department, therefore eliminating lost receipts from drivers. If you would prefer a purchase order rather than a Registration number please advise us when applying for this Credit Application.
